## CAREER SUMMARY

Aspiring Data Analyst with a strong foundation in Excel, Power BI, and SQL. Skilled in cleaning, analyzing, and visualizing diverse datasets to identify trends and deliver actionable insights. Passionate about simplifying complex data through clear reports and visual dashboards.

Excited to collaborate with teams, contribute to business decisions, and continue growing as a data professional.

## TECHNICAL SKILLS

- **Advance Excel** (data cleaning, formulas, pivot tables, charts, lookups)
- **Power BI** (dashboard creation, DAX, data modelling, KPIs)
- **SQL** (queries, joins, filtering, aggregation)

## PROJECTS

### 1. Boat Lifestyle Sales Dashboard – Power BI & SQL

Designed an interactive Power BI dashboard to analyse customer behaviour, sales performance, and fulfilment trends for a consumer electronics brand.

- Cleaned, transformed and analysed raw sales data using SQL queries.
- Created KPIs and visuals for revenue, customer segments, and top regions.

### 2. Shark Tank India Insights Dashboard – Power BI

Created a Power BI dashboard to visualize startup data from multiple seasons of Shark Tank India.

- Highlighted trends across industries, funding amounts, and investor participation.
- Provided filters for exploring episodes, pitches, and investment outcomes.

**Other Projects :** FinEdge Finance Data Insights (Power BI), Sales Analysis (Excel) and Order Management Tracker (Excel).

## PROFESSIONAL EXPERIENCE

**Data & Operations Assistant** | Swastik Trading | Dwarka Mor, New Delhi

Dec 2024 – Apr 2025

Supported data management and reporting processes by handling school and publishers' data.

- Worked extensively with Excel to manage & organise large volume of sales and orders data.
- Cleaned and organized raw order data to generate daily and monthly reports.
- Supported management in identifying sales trends and stock movement through data tracking.
- Used Busy software for accounting entries and data reconciliation between sales and purchases

## RELEVANT CERTIFICATIONS

- **Data Analytics Certification** – MIS and Data Analytics Training center, Om Vihar, Uttam Nagar
- **Career Essentials in Data Analytics** – by LinkedIn & Microsoft

## EDUCATION

- **PERSUING BACHELORS OF COMMERCE** | School of Open Learning, Delhi University
- **CLASS 12<sup>TH</sup>** | CBSE | 82%
